Brothers and Sisters,

The Southwest Regional Council of Carpenters is taking proactive measures to help members and their families during these challenging times.

We're happy to announce the following extensions to your health benefit coverage:

- If you are currently eligible, you will not lose your benefit eligibility for the May, June, and July quarter as a result of insufficient hours.
- Regardless of the hours that are reported, if you are eligible through April 30th, your benefits for you and your family will continue through May, June, and July. Therefore, if you have less than the 360 hours needed for eligibility your benefits will still be covered for May, June, and July.
- The extension is automatic.

As information continues to unfold about the coronavirus, be assured that you can count on your health plan to provide the support and benefits that you and your family need.

Stay safe, stay healthy, stay strong, Carpenters!

Fraternally,

Dan Langford
Executive Secretary-Treasurer
Southwest Regional Council of Carpenters
