Brothers and Sisters,

The Southwest Regional Council of Carpenters supports everyone’s right to protest. We stand shoulder-to-shoulder with our communities against racism and injustice.

History has shown us that many times, in order to make changes for the better, we need to raise our voices to be heard. But we do not condone the actions of the few who seek to take advantage of this important moment.

Today, you can find a Union Carpenter out participating in a neighborhood cleanup, serving their communities, and helping secure small local businesses.

And as always, we will vote in order to protect our civil rights, jobs, health benefits, community wealth, and the diversity of our membership.

Fraternally,

Dan Langford
Executive Secretary – Treasurer
